

April 2022

### **Greetings**

Greetings in the wonderful name of our Lord and Savior Jesus Christ, the one through whom we have redemption and forgiveness of sins. I trust this report reaches you in the best of health as it left me and my family.

### **Dominica/Radio**

The work on Dominica is directed mostly to the radio program. This month I got a bit of a break in that I didn't have to present any lessons, however, the production process was done by me. Though I am unable to assist any local congregation right now I still share the gospel with others every day. I have been able to secure one study thus far and it's our prayer that God will give the increase as we continue sowing the in the vineyard.

### **Bonaire**

The church on the island of Bonaire is not where we would like it to be, but with patience and with the help of God, we will get to the place God wants us to be.

The congregation is a bit saddened but is also happy, this mixture of emotions is because brother Richmend Anthony (a useful brother) will be leaving us this September as he makes his way to the Trinidad School of Preaching and Teaching. The joyous part is his desire to return to his home congregation to assist. We foresee great things in the future of the congregation. Please join us as we continue praying for him as he embarks on this journey.

April was a month of accomplishments; we were able to conclude our annual skeleton of activities, as a result, our desired goal is clearer and we are now able to plan ahead of time to execute each program of activity.

In an effort to introduce the idea of a youth group and youth activities, we met with the young people of the congregation (aged 5-14). We took the opportunity to get to know each of them. We showed them from Scripture the importance of youthfulness and reminded them that their input is needed in order to grow a well-rounded congregation, one that is able to win and keep both the aged and the young. It was a challenge to get them to speak, however, after a few ice breakers we were able get some feedback which will be used as we seek to slowly get the youth involved.

We also saw an increase in visitors to the general assembly on Sunday mornings and also via Zoom. Brother Richmend invited Ashley, who had been a constant visitor but she stopped visiting when Jonathan left, however, she has decided to make a greater effort to be more regular and we have definitely seen her efforts. We also welcomed a young man by the name of Chase, a friend of brother Richmend. He made his first few appearances via zoom invite, and for this month he visited the general assembly in person. Let us all continue praying for them.

HONORE FAMILY REPORT

Briefly I would like to share some of our struggles. The congregation has incurred a debt of approximately \$1400 due to some payments not being made for about two years. Due to all that has happened in the last two years with COVID and the departure of brother Jonathan, somehow these things got overlooked by the brethren. We received word that the church owes the following:

Building Insurance	250
Property tax	1000
KVK (Chamber of Commerce)	150
	<b>1400</b>

This total may be slightly more. I have been awaiting word from brother Benjamin so I could have a clearer idea of the expenses. This we hope to prevent in the future by properly budgeting. The Parsons church is already taking steps to make sure these bills get paid immediately. We are grateful for their assistance and oversight.

### The Honore family

My family and I are doing pretty okay for now. We are always thankful for life and the small and big blessings God sends our way. The girls are currently enjoying school and Kamari is keeping us occupied (I believe he thinks he is the boss of the house).

At present we are prayerfully and patiently awaiting word from immigration regarding our return to Bonaire, in the mean ime we do what is within our reach. Thank you for your continued support.

In His service,  
Dexter Honore
